

Expectations

Class attendance is critical to a student's success in the program. Students are expected to attend all classes and to arrive on time for each class. Successful progression will be based on a student's performance according to their instructor's grading matrix. A student may be graded NUE (no unit earned) if their attendance is outside the acceptable range.

Students are expected to behave and treat all other students and staff members with courtesy and respect at all times.

Mansfield Evening School is a tobacco, alcohol and drug-free environment.

Students will be dismissed from the program if they do not adhere to the program expectations.

Enrollment Standards

- Students must be 16 years-of-age or older and have already achieved MCAS competency in ELA, Math and Science.
- Students are required to complete an application form in person.
- Students enrolled in their day division of high school need permission from their administration prior to registration to insure that acceptance of grade and credit earned (see guidance

Our vision of the ideal school is one in which all students are actively and intellectually engaged in their learning as a result of the instructional practices that are personalized, differentiated, innovative and designed to challenge their thinking and understanding. The result of our collective efforts is for all students to achieve their personal best and become meaningful contributors to our society.

**MANSFIELD PUBLIC
SCHOOLS**

**EVENING
SCHOOL
PROGRAM**

September 2020 - June 2021

All students regardless of race, color, sex, religion, national origin, limited English proficiency, sexual orientation, gender-identity, disability, or housing status, have equal access to all programs including athletics and other extracurricular activities.

Mission Statement

The mission of the Mansfield Evening School Program is to provide an educational experience in a small school environment staffed by a team of caring individuals who are committed to helping all students be successful and obtain a high school diploma. Classes are staffed with Certified Special Education Teachers.

Program of Studies

Seniors enrolled in the day division may enroll for credit recovery. This is achieved by a contract initiated through the guidance department.

Students who have completed four years of high school but lack the necessary credits to graduate can present their transcripts for review. An education plan will be developed leading to graduation.

Students who transfer from the Day to Evening will have their educational record reviewed on an individual basis. Each student's plan to graduate will be set forth based on past success and the need to satisfy graduation requirements.

Student compliance and individual planning is paramount. A student transferring to Evening School must enroll full-time each semester until their class of record graduates.

Academic Units in English, Math, Science, Social Studies and Electives are offered each semester.

The number of units required in the discipline areas are determined based on past educational records and compliance.

English Unit requires 2 semesters.

Fees

\$210.00 per course, resident

\$260.00 per course, non-resident

*(checks made payable to
Mansfield Public Schools)*

Graduation Requirements

- 4 Units English (9-12)
- 3 Units Mathematics
