

## **CO-CURRICULAR AND EXTRACURRICULAR ACTIVITIES**

The School Committee believes that student activities are a vital part of the total educational program. The following will serve as guides in the organization of student activities:

1. The schools will provide a broad and balanced program of activities geared to the diverse ages, interests, and needs of students.
2. The assistance of parents/guardian in planning activity programs may be encouraged.
3. All activities will be supervised; all clubs and groups will have a faculty advisor.
